Petition to Correct Filing Date
Docket No. 011.0215.01

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s): Hankins et al.	
Application No.: 09/885,750	Group Art Unit: 2151
Filed: June 19, 2001	
Title: System And Method For Dynamically Controlling A Rogue Application Through Incremental Bandwidth Restrictions	Examiner: Unassigned
Attorney Docket No.: 011.0215.01	

PETITION TO CORRECT FILING DATE AND FILING RECEIPT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to 37 C.F.R. 1.10, please correct the filing date and the filing fee received on the Filing Receipt of the above-identified U.S. patent application. This Petition to Correct Filing Date and Filing Receipt (Petition) is the second Petition requesting these corrections, and is filed in response to the Response to Request for Corrected Filing Receipt (Response) mailed from the U.S. Patent and Trademark Office (USPTO) on January 4, 2002.

Filing Date

The correct filing date for the above-identified patent application is **June 19, 2001**. The Filing Receipt mailed from the USPTO on August 13, 2001, incorrectly shows a filing date of June 16, 2001. The following documents are submitted in support of a June 19, 2001 filing date:

- (1) Copy of Express Mail Label No. EL793271872US, with correct date-stamp highlighted;
- (2) Copy of Return Receipt Postcard, showing "Date Mailed: June 19, 2001," highlighted;
- (3) Express Mail Tracking and Delivery record, printed from the official U.S. Postal Service Web Site, showing package acceptance on June 19, 2001, in Seattle, Washington;
- (4) Copy of Utility Patent Application Transmittal with the certificate of mailing certifying

deposit with the U.S. Postal Service on June 19, 2001.

In completing the Date In block of the Express Mail label, the postal worker erroneously wrote "6 16 01." However, the correct filing date of June 19, 2001, can be found on the official USPS date-stamp on the same Express Mail label.

Filing Fee

Under Fil Fee Rec'd, replace "1114" with --1600--. Enclosed is a copy of the official Filing Receipt for the above-identified patent application, which has been marked in red ink to identify the correction needed. Copies of the Patent Application Transmittal Sheet and filing fee payment check, verifying the correct information, are also enclosed.

Accordingly, please correct the filing date and the filing fee as shown on the Filing Receipt, and please issue a Corrected Filing Receipt reflecting these changes.

No petition fee is enclosed, as the requested corrections are due to USPTO error.

Respectfully submitted,

Dated:

FEB 20 2002

RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Application Filing Date

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because:

- ☐ The correct application number appears on the Filing Receipt. Your postcard included an incorrect application number. Please update your records to reflect the application number on the enclosed Filing Receipt. See MPEP 503.
- ☒ If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, a request for a corrected Filing Receipt should be submitted along with a copy of the Express Mail label showing the "date in."
- ☐ A copy of the Express Mail label was not enclosed with your request. Please resubmit.
- ☐ The date on the Express Mail label is the date given on the Filing Receipt.
- ☐ The filing date accorded to the application is the date the application met the filing date requirements of 37 CFR 1.53(b) or (c).
- ☐ Filing date of a parent application cannot be changed by this request. A request for corrected Filing Receipt must be directed to such parent application.
- ☐ Applications submitted under 37 CFR 1.8 are accorded a filing date as of the date the application is received in the U.S. Patent and Trademark Office.
- ☐ The filing date on your return postcard is the same as the date on your Filing Receipt.

A petition under 37 CFR 1.10 or 1.53 is needed to correct the filing date. The petition should be

☐ directed to the attention of the Office of Petitions.

Any corrections that may need to be done to your Filing Receipt should be directed to:

Assistant Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, DC 20231

A copy of this notice MUST be returned with the reply.

Date Mailed: 08/13/2001

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15

**COPY OF PAPERS
 ORIGINALLY FILED**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

PLEASE NOTE the following information about the Filing Receipt:

- The articles such as "a," "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improved," "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The title may be truncated if it consists of more than 500 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in."
- The title is recorded in sentence case.

Any corrections that may need to be done to your Filing Receipt should be directed to:
